Under Rule 31 of the Rules for the conduct of business of the Mysore Legislative Council, the accompanying Bill to further amend the Mysore Local Boards Regulation is published for general information with the Statement of Objects and Reasons.

By Order,

A Bill to further amend the Mysore Local Boards Regulation, II of 1902.

Preamble.

Whereas it is expedient to further amend the Mysore Local Boards Regulation, II of 1902; His Highness the Maharaja is pleased to enact as follows :—

Insertion of a new clause under sub-section (1) of section 20 of the said Regulation.

The following shall be added after clause 1 in sub-section (1) of section 20 of the said Regulation :—

"1 (*a*) A Railway cess imposed with the previous sanction of Government at a rate not exceeding ~~three pies~~ half an anna in the rupee on all items of revenue on which local cess is levied, to be recovered in the same manner as the local cess and to be utilized solely in the construction of tramways and rail roads."

STATEMENT OF OBJECTS AND REASONS.

There have recently been some proposals before Government for the construction of branch railways by District Boards with the aid of funds raised by debenture loans. The Boards are now spending almost to the full extent of their taxing powers and so they experience considerable difficulty in raising a loan and guaranteeing the interest thereon. It is therefore proposed that, in addition to the ordinary local cess, a special cess of three pies in the rupee be levied to be solely utilized in the construction of tramways or rail roads.

With a view to encourage the construction of such branch lines, it is desirable that the District Boards should by legislation be empowered to levy such cess with the previous sanction of Government. Hence the proposed Bill which is based on clause (ii) of section 57 of the Madras Local Boards Act, V of 1884 as amended by Acts III of 1890 and VI of 1900.

Serial No. 1

I forward herewith copy of a Bill to further amend the Mysore Local Boards Regulation, 1902. The Bill is intended to enable Local Boards to raise funds by means of a cess to be utilised for the construction of tramways and rail roads. It has been found that the existing resources of these bodies are hardly sufficient to meet the expenditure which such undertakings involve. It has therefore been considered desirable to enact a provision authorising them to levy a cess not exceeding three pies in the rupee on all items of revenue on which local cess is at present levied. A statement of objects and reasons explaining the Bill is also enclosed. It is proposed to place the Bill before the Legislative Council at an early date.

P. B. WARBURTON.

Letter Pol. No. 694—*En.* 2, *dated* 10*th March* 1914 *to the First Assistant Resident in Mysore, Bangalore.*

I am directed to forward herewith two copies of a Bill to further amend the Mysore Local Boards Regulation, II of 1902, and to state as follows :—

Serial No. 3

There have recently been some proposals before the Durbar for the construction of branch railways by District Boards with the aid of funds raised by debenture loans. The Boards who are now spending almost the whole of their income experience considerable difficulty in raising a loan and guaranteeing the interest thereon. It was therefore proposed that, in addition to the ordinary local cess, a special cess should be levied to be solely utilized for the construction of tramways or rail roads.

With a view to encourage the construction of such branch lines, it was deemed desirable that the District Boards should by legislation be empowered to levy such cess with the previous sanction of Government. A Bill was therefore drafted based on clause (ii) of Section 57 of the Madras Local Boards Act, V of 1884, as amended by Acts II of 1890 and VI of 1900.

It was originally the intention of the Durbar to fix three pies in the rupee as the maximum cess that could be so levied; but on the representations made by some District Boards that a cess of three pies in the rupee would not bring in sufficient additional revenue for the purpose, the maximum was increased from three pies to six pies in the rupee.

The Bill was placed before the Legislative Council and has been adopted by them.

I am now to request that sanction of the Government of India may be obtained for the Bill being passed into law.

Amendment of the Local Boards Regulation, 1902, to authorise the levy of a Railway Cess.

A Bill to further amend the Mysore Local Boards Regulation, II of 1902.

Whereas it is expedient to further amend the Mysore Local Boards Regulation, II of 1902 : His Highness the Maharaja is pleased to enact as follows :—

Preamble.

The following shall be added after clause 1 in sub-section (1) of Section 20 of the said Regulation :—

Insertion of a new clause under sub-section (1) of Section 20 of the said Regulation.

"1 (*a*) A Railway Cess imposed with the previous sanction of Government at a rate not exceeding half an anna in the rupee on all items of revenue on which local cess is levied, to be recovered in the same manner as the local cess and to be utilized solely in the construction of tramways and rail roads."

STATEMENT OF OBJECTS AND REASONS.

There have recently been some proposals before Government for the construction of branch railways by District Boards with the aid of funds raised by debenture loans. The Boards are now spending almost to the full extent of their taxing powers and so they experience considerable difficulty in raising a loan and guaranteeing the interest thereon. It is therefore proposed that in addition to the ordinary local cess, a special cess of three pies in the rupee be levied to be solely utilized in the contruction of tramways or rail roads.

With a view to encourage the construction of such branch lines, it is desirable that the District Boards should by legislation be empowered to levy such cess with the previous sanction of Government. Hence the proposed Bill which is based on clause (ii) of Section 57 of the Madras Local Boards Act, V of 1884, as amended by Acts III of 1890 and VI of 1900.

Letter No. 2423, *dated 4th April* 1914, *from the first Assistant to the Resident in Mysore.*

Serial No. 4.

2. In reply. I am to say that the Governor-General in Council has been pleased to accord his consent to the draft Bill on the understanding that he retains over it the power and authority which vests in him by virtue of Article 18 of the New Treaty of 1913.
